SofTouch™ Couch Top Pads

SofTouch™ Couch Top Pads

SofTouch™ Couch Top Pads provide comfort and support for patients during a variety of radiotherapy treatments. They are compatible with a wide variety of patient positioning and immobilization devices and are designed to relieve pressure point stress during long procedures. The low profile, no-slip SofTouch™ Couch Top Pad allows patients to easily get on and off the treatment couch.

Features:

- MR safe
- No-slip, water resistant coating
- Lightweight
- Easy to clean
